**How God Taught Me about Prosperity** Kenneth E. Hagin, 1985-06 This valuable minibook instructs believers on using their faith for finances -- a subject which is very misunderstood in the Church world today.

**Health, Wealth, and Happiness** David W. Jones, Russell S. Woodbridge, 2017-07-25 Be faithful in your giving and God will reward you financially. It's not always stated that blatantly but the promises of the Prosperity Gospel--or the name-it-and-claim-it gospel, the health-and-wealth gospel, the word of faith movement, or positive confession theology--are false. Yet its message permeates the preaching of well-known Christian leaders: Joyce Meyer, T. D. Jakes, Joel Osteen, Creflo Dollar, Kenneth and Gloria Copeland, and many more. The appeal of this teaching crosses racial, gender, denominational, and international boundaries. Why are otherwise faithful Christians so easily led astray? Because the Prosperity Gospel contains a grain of biblical truth, greatly distorted. For anyone who knows that Prosperity Gospel theology is wrong but has trouble articulating and refuting the finer points, this concise edition contains all the robust arguments of the hard-hitting original edition in a shorter, more accessible form.

*The Six Keys to Financial Success!* Sean Hyman, 2013-02 It all started when Sean Hyman went on a financial quest to find out why people were broke because he knew it wasn't God's best for their lives. That's when he went through an extensive study of one of the wisest books of all-time, the Bible. He literally looked at every scripture that had to do with money. It was then that he found the six keys that God has outlined to produce financial success. As he purposefully implemented and lived out these six principles they began to change his financial future. It was then that he decided to write this book about it and tell the whole world so that they could find out the keys to financial success just as he has done.

Biblical Keys to Financial Prosperity Kenneth E. Hagin, 1995-07 God wants His people to prosper financially. Biblical Keys to Financial Prosperity explains how believers can release their faith for finances and eat the good of the land.

Blessed Kate Bowler, 2013-05-08 How have millions of American Christians come to measure spiritual progress in terms of their financial status and physical well-being? How has the movement variously called Word of Faith, Health and Wealth, Name It and Claim It, or simply prosperity gospel come to dominate much of our contemporary religious landscape? Kate Bowler's *Blessed* is the first book to fully explore the origins, unifying themes, and major figures of a burgeoning movement that now claims millions of followers in America. Bowler traces the roots of the prosperity gospel: from the touring mesmerists, metaphysical sages, pentecostal healers, business oracles, and princely prophets of the early 20th century; through mid-century positive thinkers like Norman Vincent Peale and revivalists like Oral Roberts and Kenneth Hagin; to today's hugely successful prosperity preachers. Bowler focuses on such contemporary figures as Creflo Dollar, pastor of Atlanta's 30,000-member World Changers Church International; Joel Osteen, known as the smiling preacher, with a weekly audience of seven million; T. D. Jakes, named by Time magazine one of America's most influential new religious leaders; Joyce Meyer, evangelist and women's empowerment guru; and many others. At almost any moment, day or night, the American public can tune in to these preachers-on TV, radio, podcasts, and in their megachurches-to hear the message that God desires to bless them with wealth and health. Bowler offers an interpretive framework for scholars and general readers alike to understand the diverse expressions of Christian abundance as a cohesive movement bound by shared understandings and common goals.

**Blessed To Be A Blessing** Kenneth Copeland, 2012-05-01 God wants to bless you. He has made all of heaven's supply

available to you. But the blessings of God are not automatic. You have a part to play. To find it, you'll need to look no further than the Holy Bible. Throughout His Word, God has indicated His desire to prosper His people. In both the Old and New Testaments, God describes His...

Don't Limit God Andrew Wommack, 2014-10-01 God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for...

**50 Days of Prosperity** Gloria Copeland, George Pearson, 2012-05-01 There is no question whatsoever that it is God's perfect will for us to prosper. The 50 Days of Prosperity study series began with the two week teaching on the Believer's Voice of Victory broadcasts done by Pastor George Pearsons. At the same time Pastor Pearsons was teaching a prosperity series at Eagle Mountain International Church. It was no surprise when the Lord spoke to Pastor Pearsons spirit and told him to teach a television series titled, 10 Days of Prosperity. This teaching material is a direct result of those television broadcasts that Gloria Copeland and Pastor George Pearsons did on the Believer's Voice of Victory broadcasts. You are encouraged to immerse yourself in your own 50 Days of Prosperity or take whatever time necessary to thoroughly study each outline. This study guide could also be used to conduct your own Bible study with friends and family. God wants you to prosper. But, as we all know, a transformation of the mind takes total immersion in the Word. So, get out your Bibles and notes, and get with the program! The results of this Bible study may be found in Psalm 25:13 (NIV): They will spend their days in prosperity, and their descendants will inherit the land.

**Suffering and the Sovereignty of God** John Piper, Justin Taylor, 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.
